

## From the Offering Plate to the World – Where the dollars go...

Our giving to the church is our way of saying that our individual churches share in the mission of making disciples of Jesus Christ to transform the world. Through our connectional system as The United Methodist Church, the money we give each week in the offering plate is divided and distributed to people and places in need.

As United Methodists, we work together as God's people. Our pool of money becomes a powerful resource that can accomplish far more than any one individual or congregation can do. In this spirit, we are able to say that our church budgets do not set the outer limits of our generosity but as vehicles of God's grace – from the offering plate – into the world beyond.

### So, where exactly do the dollars go?

Good question! When we give to our United Methodist Church, our giving is divided into many pieces, and goes to many different places. It generally goes to support five significant areas. Based on compilation of the

2015 Table II reports, our West Michigan churches provided \$71.5 million to support all ministries.

### **90.1% stays in our local church**

The largest portion of our expenditure in the West Michigan Conference churches is spent in the local church. This includes operating and program expenses, pastor salaries and expenses, debt payment and benevolences paid directly to various causes designated by the local church.

*(Study your church budget and be engaged in the ministries of our home church.)*

### **9.9% goes to the Conference Treasurer for further distribution to four other areas**

*(Explore the links below to access information that will help you interpret and tell the story about the good works in these areas of ministry.)*

- **6.2% goes to Conference Programs and Ministries**

The West Michigan Conference Budget is the ministry map that charts the course of our shared mission and ministry as a conference. This is the portion of our Ministry Shares that stays in our conference. Click on the link below to get an overview of the West Michigan Conference Budget.

- **1.5% goes to Advance Specials and Six-Lanes designated by local churches**

This portion of our giving goes to projects outside the conference budget. These are Six-Lanes and Advance Special funds of the conference and the general church. One hundred percent of the money goes to designated programs like UMCOR and missionaries or mission projects listed on the Advance Special publication. Explore the links below to learn more about this giving opportunity.

**“We give to the church because...**

- God first gave to us
- We love God
- We are Christians
- We are United Methodists
- Ministry and mission happen
- Together, we can do more than what one congregation or individual can do separately.”
